

Dear Parents,

As part of our School to Work Initiative, we invite speakers to present on various careers, throughout the year, to our students. We are aware of the varied resources and exciting careers of many of our Leewood parents and would like to welcome you, as a guest speaker, to discuss your career training and educational requirements, duties and responsibilities of your career, feelings about your career, and any other special aspects of your career with our students.

This year we are emphasizing, through our School Improvement Plan, the career field of science, math, and reading. If you are interested in presenting, we request that you complete the form below and return to your child's homeroom teacher. We will contact you to arrange a convenient day and time for your presentation.

Thank you in advance for your participation.

Sincerely,
Robert Olszack
Counselor
